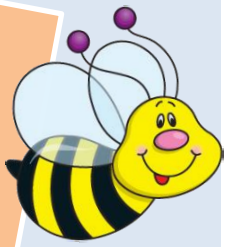
Summer Curriculum

August 22	**Jumper House Day**
August 28	**Bubble Day**

If parents are planning to take a vacation or withdraw from our facility, please keep in mind that there is a 30 day notice required. You may inquire the form from the front desk.



As we finish our summer session, children will also be finishing up their studies of the Solar System and Dance Movement. Children will be bringing home their final projects at the end of summer.

Last month, children learned about the Mercury, Venus, Earth, Moon, Mars, Jupiter, Saturn, and The Asteroid Belt in the Solar System curriculum. The children were happy to participate in in our Color Me Mine Activity. They loved painting their very own mugs to take home. Outdoor activities are always a great way to get the children outside and moving. The children enjoyed popsicles and Water Play Day.

Fall session will start on Tuesday, September 2nd 2014 after Labor Day holiday. Before the fall session starts, we need your help by taking home all of your child's belonging. Teachers will be sending home your child's medicines, balms, creams, lotions, and clothes, jackets and containers/bottles. If parents would kindly wash and replace all of your child clothing for the next school year by bringing appropriate 2 sets of extra clothes on the first day of school, Sept 2nd.

Reminders will be forwarded out via email. Have a wonderful summer and we look forward to seeing those bright, smiley faces back on first day of school.

Fish Bowl Crackers

Week 8: Friday, August 8

Children will be making their own snack. Fish bowl crackers consist or Ritz crackers, blue cream cheese and Gold Fish.

Please inform front desk/teachers if you do not want your child to participate in this activity.

Jumper House

Week 10: Thursday, August 22

We will be setting up a super fun jumper house in our outdoor play area for children to enjoy. We will send out event details as this date draws closer.

Please inform front desk/teachers if you do not want your child to participate in this activity.

Summer School

June 16 - August 28

This summer, we have been focusing on "The Solar System" and "Dance Movement." Please check and read your emails for updates on special events and our summer school curriculum.

Summer will be hot. Shoes and socks will still be required for school as it is for the safety of your child. We will be providing lots of water to keep our busy bees hydrated throughout the summer.

If you are planning to discontinue with us in the FALL, please make sure to inform the front desk. If you are going on a vacation, or withdrawing, please provide the school with a 30-day notice to avoid any additional charges. [See front desk if you have questions.]
