COVID-19, FLU, COLD OR ALLERGIES: WHICH IS IT? If you're feeling under the weather, you may be wondering if you have COVID-19.

Coronavirus disease 2019 (COVID-19) causes symptoms that are similar to the seasonal flu, a common cold and allergies, making it difficult and confusing to know what you're sick with.

DO YOU HAVE A FEVER?

YES

NO

DO YOU HAVE

ITCHY EYES?

ARE YOU EXPERIENCING ANY SHORTNESS OF BREATH?

ONLY A DOCTOR CAN OFFICIALLY DIAGNOSE YOU WITH A CONDITION,

but using this flowchart can help you determine whether your symptoms are due to a cold or allergies, or something more serious.
