Remote Learning 2020-2021

February Curriculum

February is the month for **Groundhog's Day, Valentine's Day, African- American History month, Lunar New Year, and President's Day!** We will have different fun-filled activities relating to these holidays.

In addition, the next stop in our world study tour is **Asia**. From **Asia's location** on the globe and map to its **animals, countries, flags, and food**. We will take a trek through what makes Asia a unique destination to remember for world travelers and a place to fondly call home for its residents. We will delve deeper into the **alphabet** for our **Language Learning in Spanish and Sign Language**. The children will be introduced to **Zoology** by examining the animal species of **birds: their life cycle, different parts and different types**. Our LAPMS friends will engage in **multi-sensory math** learning as well as **language** exploration through **reading, writing, and public speaking skills**. **LAPMS Music and Movement, Dance, and Yoga** will keep the children's brain waves and bodies active and moving through a variety of **physical fitness** activities. **Arts and Crafts** will incorporate various **art mediums** and **themes** that will expose the children to **various artforms** and **art materials**.

February Themes

- **Math: Subtraction 1-9, 100th Day of School Counting**
- **Language Arts: Reading, Handwriting, Writing Sentences, Rhyming**
- **Additional Languages: Sign Language (Alphabet) and Spanish (Alphabet)**
- **Practical Life: Pouring activities, Buckle Frame, Zipper Frame**
- **Culture: African American History Month**
- **Geography: Asia**
- **Land & Water Forms: Peninsulas & Gulfs**
- **Botany: Flowers**
- **Zoology: Birds**
- **Public Speaking: Sharing about Weekend Activities, Book Reports**
- **Science Experiments: Dancing Raisins, Cornstarch Quicksand, Scattered Pepper, Soundwaves**
- **Physical Fitness: Dance, Yoga**
